SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON APPLICATION 050078642

REF: A. TD-314/78618-07

1B. BLUE LANTERN GUIDEBOOK 2006

Classified By: DTCC Office Director David C. Trimble for reason 1.4(c)

11. (U) This is an Action Request. See paragraphs 2-4.

12. (U) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests post's assistance in conducting a pre-license check on application 050078642 for the export of optical sights for the 106mm recoilless gun to Chad. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future applications involving parties to this license.

13. (S//NF) Reason for request: suspicions that the defense articles listed on this application may already have been exported from the U.S. to Chad via Israel without proper authorization from PM/DTCC. According to Ref A, the Cypriot company I.M.M. COM Ltd. delivered 50 optical sights for the 106mm recoilless gun from the U.S. to Chad in February 2007. I.M.M. COM is a subsidiary of the Israel-based arms brokering firm A. D. Consultants Ltd., which is on PM/DTCC's Watchlist. PM/DTCC has no record of ever having authorized the export of optical sights for the 106mm recoilless gun to Chad. Post should make appropriate inquiries to determine whether the Chadian MOD has ever received any U.S.-origin optical sights for the 106mm recoilless gun and if so, how many. Post also should determine whether the Chadian MOD ordered the 50 optical sights listed on this license application. If so, from whom did the Chadian MOD order the items? Does the Chadian MOD still intend to purchase the items? Finally, post should ask the Chadian MOD if it recognizes A. D. Consultants as an official supplier/contractor.
